

WAX RECOMMENDATION

AMH Anchorage Cup Pia's Classic

Kincaid Park, Anchorage, Alaska

Sunday, January 31

Noon 30K; 12:20 P.M. 15K; 12:30 P.M. 5K

Classic technique

Mass start

5K - 1 loop; 15K - 1.5 10K loop; 30K - 3 10K loops

Forecast/Conditions: Saturday high in the mid 20 to lower 30s. Saturday night low 10 to 25 above. Sunday high in the lower 20s to lower 30s. Expect old transformed snow.

Glidewax: Apply LF Moly, scrape and brush, then apply HF Red, scrape and brush. Finish by rotocorking JetStream Red, brush with a dedicated nylon polishing brush and polish with a thermopad.

Gripwax: Roughen base with 150 grit sandpaper, iron in Carbon BaseWax Green, cork smooth, let cool. Check with Toko Tech Team in the bunker for final kick wax recommendation.

Structure: A cold universal grind covered by one pass with the Red TOKO Structurite tool (old medium offset wheel) before JetStream application will best suit these conditions.

Racing - Service

Check the WaxTip page at www.TokoUS.com before all of your races for the latest waxing information. The Toko Race Wax Tips offer racers precise waxing advice on how to make your skis perform optimally for a given event. For racers who don't have top end waxes, skip the Fluorocarbon (JetStream) and substitute the LF or System 3 wax of the same color (Yellow, Red or Blue). For those who do not have a rotocork for applying JetStream, the next best thing is to iron it in.
