

WAX RECOMMENDATION

Rainbow Rendezvous

Rainbow Resort, Waubun, MN

Saturday, February 28

10 A.M.

10K Skate, 16K Classic

Forecast/Conditions: Expect a firm base covered with a layer of fresh snow falling in on Thursday at temperatures near zero. Overnight low on Friday -6F. Race temperature near zero. Mostly cloudy with a slight breeze

Glidewax: Apply LF Moly, scrape and brush, then apply HF Blue, sprinkle on Nordlite Powder X-cold, iron in together, scrape and brush. Finish by rotocorking JetStream Blue, brush with a dedicated nylon polishing brush and polish with a thermopad.

Gripwax: Roughen base with 150 grit sandpaper, iron in Carbon BaseWax Green, cork smooth, let cool. Then apply 2-3 layers of Carbon GripWax Mint, corking between layers. For those who desire more kick, apply Carbon White.

Structure: Cold grind. No additional structure is required.

Racing - Service

Check the WaxTip page at www.TokoUS.com before all of your races for the latest waxing information. The Toko Race Wax Tips offer racers precise waxing advice on how to make your skis perform optimally for a given event. For racers who don't have top end waxes available, skip the Fluorocarbon (JetStream) and substitute the LF or System 3 wax of the same color (Yellow, Red or Blue). For those who do not have a rotocork for applying JetStream, the next best thing is to iron it in.
