

WAX RECOMMENDATION **TOKO**[®]

Valhalla Summit Ski Race

Mt. Ashwabay Ski Trails, Bayfield, WI

Saturday February 2

11K Freestyle

Race Start 10AM

Mass Start, One Lap

Forecast/Conditions: Friday Night: A 40 percent chance of snow after midnight. Mostly cloudy, with a low around 15. South wind between 5 and 10 mph. Saturday: A 50 percent chance of snow. Mostly cloudy, with a high near 29. West wind around 10 mph, with gusts as high as 15 mph.

Glidewax: Apply LF Moly scrape and brush, then apply HF Blue/HF Red, mixed 1:1, scrape and brush. Finish by rotocorking JetStream Moly, brushing with a dedicated nylon polishing brush, and finally, polish with a thermopad.

Gripwax: NA

Structure: A fine linear structure will best suit these conditions.

Racing - Service

Check the Waxtip page at www.TokoUS.com before all of your races for the latest waxing information. The Toko Race Wax Tips offer racers precise waxing advice on how to make your skis perform optimally for a given event. For racers who don't have top end waxes available, skip the Fluorocarbon (HelX, JetStream) and substitute the LF or System 3 wax of the same color (Yellow, Red, Blue). Additionally, for those who do not have a rotocork (for applying JetStream), this step can be replaced by vigorously corking with a dedicated Plasto Cork at the expense of durability.
